On brokerage is this very well kept Windy 37 Grand Mistral from 2007. Powered by twin D4 260 engines. In the cockpit there is a large U-shaped sofa and plenty of secure and comfortable grab rails. Inside are luxurious high gloss wood fittings in the galley, dining area, and both fore and midships cabins, with a comfortable double bed and a practical bathroom. Upgrades to this boat include a new JL Audio system, Raymarine plotter and underwater lights.

### **Windy 37 Grand Mistral**

First introduced in 1998, the 37 Grand Mistral replaced the Grand Mistral 36 by growing 5 inches. Unlike the 36, the 37 Grand Mistral was offered in both open and hardtop versions from the onset, at a time when hardtop sports cruisers were relatively scarce.

The Wide 37 Grand Mistral is a very sleek styled boat that at only 6500kg it is a fast boat boasting the twin D4 260 engines which have been well looked after by the current owner, including some great recent upgrades done by ourselves to include a new JL Audio system, Raymarine plotter and some underwater lights.

### **Manufacturer Provided Description**

The 37 Grand Mistral is a genuine Windy classic whose refined and timeless design, solid craftsmanship and excellent sea-keeping abilities make her a popular family cruiser. The Grand Mistral performs well in all conditions. Windy's are renowned for their phenomenal hulls and consistent, long-lasting quality, thus attracting attention for their intelligent use of space and practical solutions. The 37 Grand Mistral is a shining example of this.

## **Additional Description**

The cockpit is spacious, with a large U-shaped sofa and a table that lowers to create a huge sunbed, behind a superb helmsman's position with seats for three at the console.

Secure and comfortable grab rails are integrated into the windscreen for passengers who like to feel the wind in their face.

## **Below Deck**

The refined fittings in high-gloss wood, gas cooker in a Corian worktop in the galley to starboard and dining area with L-shaped sofa to port provide a real sense of luxury in the saloon below deck.

A comfortable double bed in the fore cabin, elegant midships cabin with good standing room for changing, double bed and direct access to a practical bathroom all offer excellent accommodation in beautifully appointed surroundings.

Height including cradle 3,34 m (10'11")

Weight 6.500 kg (14.330 lb)

Fuel tank 800 litres (211 US gal)

Fresh water tank 190 litres (50 US gal)

Sleeping capacity 5-6 pers.

Designer & Naval Architect: Hans Jørgen Johnsen.
