## **Windy 32 Grand Tornado**

For sale is this very well kept Windy 32 Grand Tornado.

Below deck in the saloon she has a very practical layout with a sink, fridge, dinette table which lowers down for a cushion to cover it and produce a comfortable double bed. The bed covers and mattress that have been made to specifically fit this boat also come with the purchase.

There are luxurious high gloss wood fittings in the galley area and she has a practical heads and a second double bed nestled in under the helm area. This boat comfortably sleeps 4 people.

An upgrade from the Windy 31 Tornado, this fine vessel offers a deep V hull on a high performance sports cruiser, powered by twin D4 260 engines, where she is seeing 45 knots at top end.

When the boat was purchased, it had a full engine overhaul as well. Coolers, trim rams, steering rams have all recently been replaced and all receipts are available upon request.

Having gone through a recent overhaul, she had new canopy covers fitted in 2023 as well as new headlining throughout during this time too. There is a brand new, unused full winter cover which is still in its wrapping available with the boat.

In the cockpit area you will find a common Windy feature of an adjustable sunpad cushion, which allows you to enjoy your sun bathing time either facing forward or aft of the boat, this particular one is electronic.
