

Windy 32 **Grand Zonda**

Just like the award-winning predecessor 31 Zonda (winner of both a European Power Boat award and MBY Motor Boat award) the new 32 Grand Zonda is a stunning fast weekender which combines the racy looks and exhilarating handling of a sport boat with the creature comforts of a larger cruiser.

Winner of both a European Power Boat Award and MBY Motor Boat Award this is a vessel designed, conceived and constructed for those who demand the very best.
